

The Malone Doctrine

A Declaration of Independence From The Decisions of Institutions That Lack Integrity

We The Undersigned:

Demand that all underlying data that contributes to a body of work under consideration must be made available and must remain accessible for analysis.

Proclaim the value of knowledge to society is not determined by any given creator of information. Instead, that it is the beneficiaries of knowledge who assign value to a proposition only through thorough critique and relentless scrutiny.

Establish the free and open exchange of information and establish as a duty the authority to serve as the custodians of all data forming the basis of our decisions.

Require the full disclosure of all sources of funding regarding any citation noted or references made pertaining to any matter under consideration.

Commit to impartiality in consideration of all analytical information and data brought before us and expect the same from all others.

Foster rigorous open debate and scrutiny in consideration of and for any matter of concern.

Shall promptly make the discovery of intellectual dishonesty or professional irresponsibility known to all.

Ensure the health, welfare and safety of any whistleblower, bringing forth and/or making public an abrogation of the beliefs held herein.

Stand in opposition to censorship and will not accept representations of parties holding within themselves values that conflict with principles of free expression.

Deny no person the right to challenge, debate, petition, redress, examine or protest with facts and evidence any decision of this body.
